

## Aegis Power Solution

**P/N OP7011**

**Rack Mount  
Power Supply Card  
for Automotive  
Test Equipment.**

**Industry** Industrial

**Application** Automotive Test Equipment

**Summary** Single Output Power Supply Open Frame Plug-in Card, Auto-switchable AC Input.

### Specifications

**Input** 110/220VAC, Auto-switchable, 47-63 Hz Auto-Range, Single Phase.

**Output** +5VDC @ 20A.

**Total Power** 100 Watts.

**Dimensions** 5.05"H x 1.18"W x 5.9"L.

**Weight** 1.0 lb. Max.

**Package** Plug in Card.

**Cooling** Customer Supplied Forced Air, Rack Cooling.

**Temperature Range** -0°C to +50°C Operating.

**Other Features** 48 pin F Connector, DIN41612.  
Meets EMI Standard FCC Class A.  
Open Frame Plug In Card.
